MATERIAL LIST

Knitters can be shy about sharing their failures BUT there is so much to learn – **please bring your best and the less please. There is always something to learn, from successes and mistakes.** Jane asks each student to bring at least 3 garments, hand knitted or machine knitted even a woven jacket. Did you knit the wrong size – what is your size? Is it fixable? Why didn't I notice as a knitted it was too big/ small? Not quite achieving the results you expect happens to knitters of all levels, you can be fantastic at Fairisle, or a master of cables, or let your hand dyed yarn tell its own story in plain knitting. Come and build a skill set to support your knitting projects. The more everyone contribute to the class the more we will learn.

- You learn from mistakes – please bring one mistake – it may be redeemable.
- You learn from success – please bring – why is this successful.
- Do you have a favourite machine knit you love – bring this.
- A few patterns from your to do list.
- A yarn that is inspiring you.

- Modelling clay in 2 colours for buttons – Fimo or Sculpey available from spotlight.
- Tape measure
- note pad, pencil, pen
- A swatch will be knitted please bring wool in a solid colour in 8ply or 10ply and needle size required
- Cable needle and stitch holder.

This weekend I will give students a skill set and some simple tips to cast on your next project with confidence.
