## CAPTURING THE LANDSCAPE

Tutor: Lana Daubermann

**Name tag, coffee mug and plastic to cover your worktable**

### Images to work from:

In this workshop we'll be working from photographs – so bring along lots of references for what you'd like to paint – these can be printed or digital.

### Brushes:

I recommend Hog Hair brushes in varying sizes - eg 4, 6, 8, 10, 12 - I generally prefer flat and filbert with a fine round brush for extra details, but your choice depending on the style of work you'd like to produce.

### Supports:

Choose any of the following to start with:

- Primed cotton canvas boards or primed MDF board
- Stretched or loose universal primed canvas (if loose, please bring a board and masking tape)

We'll mostly be doing smaller studies, so I'd recommend at least 4 panels, 8 x 10" max in size, but totally up to you if you prefer working large.

### Paints:

I love working with a limited palette and always recommend investing in fewer colours of the best brand you can afford. My preference is Langridge, Winsor & Newton or Art Spectrum.

The colours for landscape I tend to mostly use are below, but feel free to bring your usual selection.

- Ultramarine Blue
- Pthalo Blue (green shade)
- Cadmium Yellow Pale or Lemon Yellow
- Indian Yellow
- Alizarin Crimson or Naphthol Red Deep
- Burnt Sienna
- Titanium White
- Paynes Grey
- Ivory Black

Nice to have's;

- Cadmium red / scarlet
- Winsor violet

Grampians Brushes is a project of GrampianArts, a not for profit organization that strives to provide opportunities for artists to extend their skills and showcase their work.
