GRAPHITE DRAWING ON STEROIDS

TUTOR: SHARON FIELD

PLEASE BRING

- Name tag
- Coffee mug
- Plastic to cover your table
- Water bottle

MATERIAL LIST

- Graphite drawings you are either part the way through, or have almost completed
- Bring multiple drawings with you. These should be drawings that you are happy to continue working on, even though you may think they are finished!! Bring your original source image for each drawing if you can.
- Completed tonal scales (whatever you have is fine) Tonal scales often come with a varying number of squares (sometimes 7, sometimes 9), so if you have a few, bring them all along!!
- Multiple pencils in the H, F, HB, 2B range
- A kneadable eraser
- Solid eraser (white)
- Sandpaper – P180 grade
- Stanley Knife (for sharpening pencils, rather than a pencil sharpener!)
- Tissue paper (not baking paper, which is slippery and will smudge your work)
- Masking tape
- A good lamp would be an asset
- A desk easel would be useful if you have one (not essential, but it will ease any pressure on your back and neck)
- Fixative spray for graphite (don't use it on your work before you come to class)
- Patience and a willingness to "go slow"!!!

GRAMPIANS BRUSHES is a project of GrampianArts, a not for profit organisation that strives to provide opportunities for artists to extend their skills and showcase their work.
