CREATIVE RESEARCH MASTERCLASS: EXTENDING AND DEVELOPING CREATIVE PRACTICE

Tutor: Ruth Hadlow

Materials list

- Name tag
- Coffee mug

Tools & materials - bring along a small kit of tools, including notebook, laptop/tablet & camera/phone (your preferred device/s), & materials. Select materials/media which are resonant or pertinent to your current ideas. Consider the language of the materials - any associations, histories & relationships they have for you. These will be used for small exercises & sampling – you won't need large quantities.

Please note - masterclass readings & research projects will be sent out in advance. These will be integral to the masterclass, so please ensure you allow sufficient time to do this preparatory work.
