---

# GRAMPIANS BRUSHES 2024

7-12 SEPTEMBER

THE GRAMPIANS VIC

## Short walks in and around Halls Gap

Take a little time out to enjoy some of the splendid walks in and around Halls Gap, it's a great opportunity to actually get into the Grampians, and see the landscape. If you would like to find out more information about these and other walks call into the Halls Gap Visitor Info Centre

### **Botanical Gardens**

Near the tennis courts on School Rd Halls Gap (next to the Primary School).

---

### **Venus Baths**

Walk through the botanical gardens on the newly upgraded Venus Baths track - an easy 1 hour walk. This walk takes you through a range of vegetation and wonderful rock formations.

---

### **Clematis Falls.**

The walk leaves from the car park at the Sports Ground, on a track along the foot of the mountain on the right facing the mountains, an easy walk. Best in the early morning.

---

### **Lake Bellfield Wall**

Distance 750 metres return, Time 30 minutes, Grade easy, Start Observation Tower, Lake Bellfield.

A flat track across the reservoir wall with views of Fyans Valley and Mt William and Wonderland Ranges.

---

### **Silverband Falls**

Distance 1.4kms circuit, Start Silverband car park.

From car park, stroll 700m through shady, ferny forest. Cross two footbridges to arrive at the base of Silverband Falls, the waterfall that disappears. Return via same route.

---

### **Fyans Creek Loop**

A chance to view wildlife, distance 2.5kms circuit, time 30-50 minutes, start at stone sculpture at Brambuk, the National Park and Cultural Centre. If unsure ask at the information desk. Best in the early morning or evening to view water birds and kangaroos. A gentle track leads through Fyans Valley to Tandara Road (the track is suitable for people with limited mobility to this point).

---

### **Mt Williams (Mt Dumeil) Summits**

Distance 3.6kms return, Time 1 to 1.5 hours, Grade medium, Start Mt William Car park.

A sealed road, closed to public vehicles, climbs steeply from the car park to the summit. At 1,167 metres, Mt William is the highest point in the park. Stunted eucalyptus give way to fantastic views of mountains ranges and open plains. Return by same route. Be prepared for cold and windy conditions.

---
