**A LEATHER AFFAIR**  
**2 day workshop**  
**Tutor: Sonja Cook**

Design and construct a small bag, clutch or purse. Explore working with leather and the possibilities that this beautiful and durable natural material provides for you. You will create something very practical yet deeply personal the you will use every day. Skills that you will learn - recognising different types of leather, cutting techniques, skiving, handstitching - will give you a basis on which you can later build.
